

CALL FOR NOMINATIONS FOR THE

Mildred Crear Award for Advancing the Nursing Profession

The purpose of the Mildred Crear Award is to recognize the contributions of **staff registered nurses** working in San Francisco in the field of public and /or community health. Nominees must have made contributions in at least one of the following categories:

1. **Health Promotion:** contributions which have promoted positive health outcomes or have a direct impact on client care
2. **Education:** contributions which promoted professional development among peers, colleagues, or clients
3. **Advocacy:** contributions in advocating for clients or the nursing profession
4. **Collaboration:** contributions in improving access to services for clients or resource development

Applications will be reviewed taking into consideration the following criteria:

1. Innovation
2. Sustainability and/or replicability
3. Scope of impact on the profession or community
4. Demonstration of leadership
5. Degree of difficulty in accomplishing the work

Guidelines for Nominations:

1. Candidate must be a staff registered nurse currently working for San Francisco Department of Public Health in Behavioral Health, MCAH, CMS, or public health centers.
2. Nominations may be made by self, staff, or managers
3. Submit the completed Mildred Crear Award Nomination form
4. Nominations may be sent by U.S. mail or interoffice mail to: Silvia Woo, 30 Van Ness Ave. Ste 260, San Francisco, CA 94102 or by email to Silvia.Woo@sfdph.org
5. Nominations must be received by April 9, 2009 at 12:00 pm.
