"The ultimate reason to become a medical doctor is to help people. PMF is in this business"

DOCTORS ON BOARD PROGRAM

The "Doctors On Board Program" is an innovative and exciting opportunity for African American students who are pre-med students, college/university & community college students, post-baccalaureate and high school seniors to experience a rare snapshot of what it takes to become a physician.

"Doctors On Board" will provide students an opportunity to explore some of the varied facets of medicine and provide information about medical school preparation. Students will also network with physicians, faculty, residents, medical students, administrators, business professionals and discuss some of the core aspect of medicine, review admissions requirements, exam preparation and other requirements, and, engage in role-play, mock medical clinics and group activities that encourages them to become physicians.

"Doctors On Board" is funded with grants from Alta Bates Summit Medical Center and Wells Fargo. If you are interested in becoming a physician, please provide the following information. Application deadline is Friday, February 3, 2012.
